Imports and exports are recorded at the end of this survey

If your organization does not submit data through Shelter Animals Count:

1. You can download the combined 2022 & 2023 Intake & Outcome Database
(IOD)™ here*. The IOD was formerly known as the Basic Data Matrix.

*The form is not meant to be filled out online. Once you've downloaded it and filled it in
with your organization's 2022 & 2023 data, email it to keegan.spera@ufl.edu.

2. You can pull a report for each year from your shelter software and send it to
keegan.spera@ufl.edu.

There are other methods of delivering the data to Keegan. If you need help, just email,
text, or call Keegan 843-452-2612.
